nuclear family will be "queered"

## RACE, GENDER, QUEER, FAMILY The **police** also came out of slavery to retrieve runaway slaves, and are considered the managers of private property. Thus, they must be abolished/defunded. This is why "whiteness" is code word for capitalism. It is a reference to he who owns the power White people are private property structure Men went into the workplace to owners. Thus, they are the This is when "white" people and make money and have all the "racism" were created - when black Anyone of any race can be slaves were brought to America. considered "white" as long as they Prior to this, "white" people were Capitalism created the gender uphold capitalism. known by their nation of origin -Women were relegated to home to oinary. This is also called the English, French, Irish, German, do the unpaid labor of brithing and oatriarchv. The children raised are the future Black people are private property. raising the children. Oftentimes, workers who will be oppressed Thus, they are the oppressed. they do this while having to also under capitalism. Endning slavery "liberated" them Capitalism created slavery in the have a job, because capitalism Jnited States because it allowed from the oppressive force of requires that. or the ownership of people as rivate property based on race. It also undermines the nuclear Those inequities were designed to keep the private property owners in power, and everyone else Reproductive justice (abortion) is Arguments around reproductive designed to liberate women from oppressed. When capitalism is abolished, the justice are also linked to arguments the gender binary. gender binary will also be Why Capitalism Is The around trans people (kids abolished. When the gender binary Equity means a world that specifically) linked by the argument #1 Enemy of the Left Slavery created racial disparities in is abolished, equity is achieved. normalizes outcomes by of bodily automy. outcomes (inequities), which is and How It's Linked to eliminating all disparties through called Systemic Racism. All redistributing resources. Race, Gender, Queer, references to Systemic Racism (or Non-binary (Queer) is meant to Because Systemic Racism was "The System") are references to And The Family. abolish the gender binary. created by capitalism, it can only Equity means Socialism. You Capitalism. oe solved by abolishing capitalisi cannot have capitalism (private nd replacing it with equity. Capitalism Defined As property ownership) without having Trans people uphold the gender disparities in outcomes. Thus, it is **Private Property** binary by transitioning between only possible to create an men and women. Ownership equitable society by abolishing capitalism. This is where non-binary comes 🔪 from. It literally means no binary. Trans and queer are not the same\ No men and no women. Everyone Rich families are the oppressors is a they/them. Queer seeks to abolish the gender because they've exploited Because of capitalism, some capitalism to gain power. binary to transform or transcend people are born into rich families Having surgery is considered to be and some are born into poor your ultimate commitment to the Poor families are the proletarian families. This is inequitiable. The nuclear biological family ideology because it's permanent workers who are oppressed under upholds capitalism through socia capitalism by the bougeoise. eproduction theory. Queer is a far-left political ideology Anything considered normal must Social reproduction theory is the Queer and non-binary are ways to specifically designed to go against the norm, or destabilize the norm. be attacked. Capitalism is idea that social systems will perceived to be the system that reproduct themselves until they are disrupt nuclear family It is a rebellion against "The upholds the norms of society, and disrupted. System", or Capitalism herefore must be abolished. Children are considered to be "private property" of their parents This is where attacks on parental and thus must be liberated. They rights come from. are compared to slaves. Capitalism cannot be abolished intil the nuclear family is bolished. A system based on "family of choice" rather than biological kinship is preferred. This is how the
